[redacted] would be separated from that support applicable to the SR-71 and other Air Force programs. This action was implemented 1 March 1969. In order that there may be an orderly transfer of accountability responsibility the new Commander of the supporting detachment has properly requested that an audit be performed. The Commander advises that the cyclic inventory will be completed approximately 12 March 1969 and requests "audit be conducted immediately subsequent to inventory, during time period 17 - 31 March if compatible with auditor's schedule. Audit should be completed in no event later than 15 April 1969 due to impending physical relocation of records and materiel."

2. It is requested that your office provide the services of suitably cleared members of the Audit Staff to accomplish the above.

[redacted] of the Budget and Finance Division, OSA, extension 6571 is appointed as the contact to assist with schedule arrangements and to represent OSA in this matter.
